Any appointment of a proxy may be effected by using the attached form of proxy, and in order for the proxy to be effective and valid, it must be completed and delivered in accordance with the instructions contained therein.

Shareholders will be liable for their own network charges in relation to electronic participation in and/or voting at the AGM. Any such charges will not be for the account of ArcelorMittal South Africa, the JSE Limited and/or Computershare.

Neither ArcelorMittal South Africa nor Computershare can be held accountable in the case of loss of network connectivity or other network failure due to insufficient airtime, internet connectivity, internet bandwidth and/or power outages which prevent any such shareholder from participating in and/or voting at the AGM.

If you are not a registered shareholder but hold a beneficial interest in the company's shares as at the meeting record date:

- and wish to participate electronically in the meeting, you must obtain the necessary authority to represent the registered holder of your shares from your central securities depository participant (CSDP) or broker;

Shareholders are reminded that they are still able to vote normally through proxy submission, despite deciding to participate either electronically or not at all in the AGM. Shareholders are strongly encouraged to submit votes by proxy or letter of representation in advance of the AGM to Computershare.

Notice of percentage of voting rights

In order for an ordinary resolution and a special resolution to be approved by shareholders, it must be supported by more than 50% and at least 75%, respectively, of the voting rights exercised on the resolution by shareholders participating in or represented by proxy at the meeting.

AGM presentations and resolutions

1. **Presentation to shareholders of:**
   - 1.1 Consolidated audited annual financial statements of the company and its subsidiaries:
     - i. Directors' report.
     - ii. Independent auditor's report.
     - iii. Audit and risk committee report.
   - 1.2 Social and ethics committee report.
   - 1.3 Human resources committee report.

Ordinary resolution number 1: Re-appointment of auditors

Resolved, as an ordinary resolution, to re-appoint, on recommendation of the audit and risk committee, Ernst & Young Incorporated (E&Y) as the independent registered auditor of the company, in terms of section 90(1A)(b) of the Companies Act No 71 of 2008, as amended (the Companies Act), for the ensuing year until the next AGM of the company.

Reason for and effect of this resolution

In terms of section 90(1) of the Companies Act, as well as paragraph 3.84(g) of the JSE Limited (JSE) Listings Requirements, each year at its AGM, a public company must appoint an auditor who complies with the requirements of section 90(2) of the Companies Act by way of an ordinary resolution of the shareholders entitled to exercise voting rights on that resolution. As contemplated in section 90(3) of the Companies Act, the name of the designated individual auditor forms part of the resolution. The JSE Listings Requirements require audit firms, prior to being appointed or re-appointed by listed companies, to be accredited with the Independent Regulatory Board for Auditors (IRBA). In accordance with paragraph 3.87(a) of the JSE Listings Requirements, the issuer must appoint an auditor who is registered with its regulator in the country of incorporation of the applicant issuer, and such appointment must be made in accordance with the laws of the incorporation/company laws of the applicant issuer. The audit committee accordingly considered submissions by E&Y as part of the audit committee's suitability and independence assessment of E&Y and the designated auditor. The audit committee has confirmed that E&Y, together with its designated auditor, are duly accredited and independent. On the basis of the assessment, the audit committee and board recommend to shareholders that E&Y be re-appointed as independent auditor.

Ordinary resolution number 2 (2.1 to 2.2): Re-election of directors

Prof BF Mohale and Ms LC Cele retire and make themselves available for re-election.

The board of directors (board) has considered the contribution of the directors standing for re-election and recommends to shareholders that they be elected.

Resolved, by way of separate ordinary resolutions, the following directors be and are hereby re-elected in terms of section 68(2)(a) of the Companies Act, who being eligible, offer themselves for re-election as directors of the company, subject to the provisions on director rotation of the Memorandum of Incorporation (MOI) of the company:

2.1 Prof BF Mohale
2.2 Ms LC Cele

The abridged curricula vitae (CVs) of the directors recommended for re-election are attached to this notice.

Reason for and effect of this resolution

The company's MOI requires that one-third of the directors retire at each AGM. The board recommends for re-election by shareholders the directors named in 2.1 to 2.2 above. Based on skills, capacity, experience, performance and independence, the board recommends the re-election of each of the directors standing for re-election. In terms of their duties and responsibilities, the afore-mentioned directors remain eligible for re-election. The board is comfortable that Ms LC Cele remains independent.

Ordinary resolution number 3: Election of Non-executive director

Resolved, by way of an ordinary resolution, to appoint Mr MG Maasdorp as a director as recommended by the board, subject to the provisions of the MOI of the company:

The abridged CVs of the director recommended for election is attached to this notice.

Reason for and effect of this resolution
The board approved the appointment of Mr. Maasdorp, as a non-executive director of ArcelorMittal South Africa with effect from 1 March 2025, to fill a vacancy on the board and recommends the appointment of Mr Maasdorp as contemplated in section 68(3) of the Companies Act.

Ordinary resolution number 4 (4.1 to 4.3): Election of audit and risk committee members

Resolved that, by way of separate ordinary resolutions, the following directors be and are hereby appointed as members of the audit and risk committee, from the conclusion of the AGM at which this resolution is passed until the conclusion of the next AGM of the company:

4.1 Ms D Earp
4.2 Ms LC Cele*
4.3 Mr NF Nicolau

* *Subject to re-election as per resolution 2.2.*

The board is satisfied that all the directors are suitably skilled and experienced independent non-executive directors and collectively have the appropriate experience and qualifications to fulfil their audit and risk committee obligations as set out in section 94 of the Companies Act.

The abridged CVs of the directors to be appointed as members of the audit and risk committee are attached to this notice.

Reason for and effect of this resolution
Section 94(2) of the Companies Act requires public companies (and private companies that meet certain criteria), to appoint an audit committee comprising at least three members who are independent non-executive directors of the company at each AGM.

The board therefore recommends to the shareholders the appointment of the members named above and is of the view that the committee complies with the relevant regulatory requirements and that the members have the necessary knowledge and experience.

Ordinary resolution number 5 (5.1 to 5.5): Election of social and ethics committee members

Resolved that, by way of separate ordinary resolutions, the following directors be and are hereby appointed as members of the social and ethics committee, from the conclusion of the AGM at which this resolution is passed until the conclusion of the next AGM of the company:

5.1 Mr GS Gouws
5.2 Ms D Earp
5.3 Mr NF Nicolau
5.4 Mr BL Davey
5.5 Mr R Karol
5.6 Mr HJ Verster

The board is satisfied that all the directors are suitably skilled and experienced and collectively have the appropriate experience and qualifications to fulfil their social and ethics committee obligations as set out in section 72(4) of the Companies Act.

The abridged CVs of the directors to be appointed as members of the social and ethics committee are attached to this notice.

Reason for and effect of this resolution
To elect, by way of separate ordinary resolutions, the social and ethics committee as constituted in terms of section 72(4) of the Companies Act and in terms of the Companies Amendment Act No. 16 of 2024.

The members of the said committee must now be elected by shareholders at every AGM, as opposed to being appointed by the board (section 72(9A)(a)).

Ordinary resolution number 6 (6.1 to 6.2): Separate non-binding advisory endorsements of the ArcelorMittal South Africa remuneration policy and remuneration implementation report

Resolved that, as ordinary resolutions, the shareholders hereby endorse, through separate non-binding advisory votes:

6.1 The company's remuneration policy (excluding the remuneration of non-executive directors for their services as directors and members of the board or board committees) as set out in the remuneration report contained in the 2024 integrated report; and

6.2 The remuneration implementation report in relation to the remuneration policy, as set out in the remuneration report contained in the 2024 integrated report.

The complete remuneration policy and the implementation report are included in the integrated report 2024 which can be accessed via the company's website.

Reason for and effect of this resolution
King IV recommends and the JSE Listings Requirements require a listed company to table its remuneration policy and implementation report for separate non-binding advisory votes by shareholders at the AGM. This vote enables shareholders to express their views on the remuneration policies adopted and on their implementation.

Percentage of voting rights required to pass these resolutions: As these are not matters that require to be resolved or approved by shareholders, no minimum voting threshold is required. Nevertheless, for record purposes, the minimum percentage of voting rights to adopt these resolutions as non-binding advisory votes is 50% plus one vote of the voting rights exercised. These resolutions are of an advisory nature only and a failure to pass either one or both will therefore not have any legal consequences relating to existing arrangements. Should the remuneration policy or the implementation report, or both, be voted against by 25% or more of the votes cast, the company undertakes, as recommended by King IV and required by the JSE Listings Requirements, to engage with dissenting shareholders as to the reasons why and to appropriately address legitimate and reasonable objections and concerns raised.

Special resolution number 1 (1.1 to 1.14): Non-executive directors' fees

In 2023, a 5% increase was approved. In 2024, no increase was approved, and in 2025, an increase of 3.2% is proposed, effective 1 June 2025.

Resolved that, by way of separate special resolutions, the annual fees payable to the non-executive directors of the company with effect from 1 June 2025 for a period of two years or until determined otherwise by ArcelorMittal South Africa in an AGM, be and is hereby approved as set out in the table below:

	Annual retainer Rm	Attendance fee per meeting Rm
Chairperson (all-in annual fee)	1 766 480	None
Director	238 699	19 888
Audit and risk committee chairperson	–	50 812
Audit and risk committee member	–	25 586
Human resources committee chairperson	–	46 906
Human resources committee member	–	23 452
Social and ethics committee chairperson	–	46 906
Social and ethics committee member	–	23 452
Safety, security, health and environmental committee chairperson	–	46 906
Safety, security, health and environmental committee member	–	23 452
Any ad hoc or other committee appointed by the board (chairperson)	–	46 906
Any ad hoc or other committee appointed by the board (member)	–	23 452
Non-executive director serving as share trust committee chairperson	–	35 070
Non-executive director serving as share trust committee member	–	17 536

Reason for and effect of this special resolution

In terms of section 66(8) and 66(9) of the Companies Act, remuneration may only be paid to directors for their services as directors in accordance with a special resolution approved by the shareholders within the previous two years and if not prohibited by the company's MOI. ArcelorMittal's MOI provides for payment of such remuneration.

The reason for and effect of this resolution is to grant the company the authority to pay remuneration to its directors for their services as directors. If approved by the shareholders at the AGM, the fees as set out in the table above, will be payable to the non-executive directors on the board until the next passing of a resolution at an AGM regarding the payment of directors' fees.

Special resolution number 2: Financial assistance in terms of sections 44 and 45

Resolved that, by way of a special resolution, the board may authorise the company (for a period of two years from the date on which this resolution is passed) to generally provide any direct or indirect financial assistance, to any person in the manner contemplated in, and subject to, the provisions of section 44 of the Companies Act, and to any director or prescribed officer of the company, or of a related or interrelated company or corporation or to a member of a related or interrelated corporation, or to a person related to any such company, corporation, director prescribed officer or member, in the manner contemplated in, and subject to, the provisions of section 45 of the Companies Act, pursuant to the authority hereby conferred upon the board for these purposes.

The above resolution is subject to compliance with the company's MOI and the Companies Act.

Reason for and effect of this special resolution

The reason for this special resolution is that, from time to time, the company may be required to provide financial assistance to persons as contemplated above. However, the recent Companies Amendments Act, No. 16 of 2024, now excludes financial assistance by a holding company to its subsidiaries, from the ambit of section 45. Nevertheless, this new exemption does not apply to financial assistance given to foreign subsidiaries or that which is given under section 44, and accordingly this special resolution number 2 is intended to provide any such financial assistance to persons, foreign subsidiaries and other related parties within the group, subject to compliance with the relevant statutory requirements.

Ordinary resolution number 7: Authority to implement resolutions passed at the AGM

Resolved that, as an ordinary resolution, any director or company secretary of the company be and is hereby authorised to do all such things, perform all acts and sign all such documentation as may be required to give effect to the ordinary and special resolutions adopted at this AGM.

Directors' responsibility statement

The directors collectively and individually accept full responsibility for the accuracy of the information pertaining to these resolutions and certify that, to the best of their knowledge and belief, there are no facts that have been omitted which would make any statement false or misleading, and that all reasonable enquiries to ascertain such facts have been made and that these resolutions contain all information required by law and the JSE Listings Requirements.

No material changes to report

Other than the facts and developments reported on in the AFS, which are available on the company's website, there have been no material changes in the financial or trading position of the company and its subsidiaries since the date of signature of the audit report for the financial year ended 31 December 2024.

If the name of the proxy is not inserted, the chairperson of the meeting will be appointed as proxy. If more than one name is inserted, then the person whose name appears first on the form of proxy and who is present at the meeting will be entitled to act as proxy to the exclusion of any persons whose names follow. The proxy appointed in this form of proxy may delegate the authority given to him in this form of proxy by delivering to the company, in the manner required by these instructions, a further form of proxy that has been completed in a manner consistent with the authority given to the proxy in this form of proxy.
5. Unless revoked, the appointment of a proxy in terms of this form of proxy remains valid until the end of the meeting, even if the meeting or part thereof is postponed or adjourned.
6. If:
   - 6.1 a shareholder does not indicate on this instrument that the proxy is to vote in favour of or against or to abstain from voting on any resolution; or
   - 6.2 the shareholder gives contradictory instructions in relation to any matter; or
   - 6.3 any additional resolution/s which are properly put before the meeting; or
   - 6.4 any resolution listed in the form of proxy is modified or amended, then the proxy shall be entitled to vote or abstain from voting, as he thinks fit, in relation to that resolution or matter. If, however, the shareholder has provided further written instructions which accompany this form and which indicate how the proxy should vote or abstain from voting in any of the circumstances referred to in 6.1 to 6.4, then the proxy shall comply with those instructions.
7. If this proxy is signed by a person (signatory) on behalf of the shareholder, whether in terms of a power of attorney or otherwise, then this form of proxy will not be effective, unless:
   - 7.1 it is accompanied by a certified copy of the authority given by the shareholder to the signatory; or
   - 7.2 the company has already received a certified copy of that authority.

Instructions and notes to the form of proxy continued

8. The chairperson of the meeting may, in his discretion, accept or reject any form of proxy or other written appointment of a proxy which is received by the chairperson prior to the time when the meeting deals with a resolution or matter to which the appointment of the proxy relates, even if that appointment of a proxy has not been completed and/or received in accordance with these instructions. However, the chairperson shall not accept any such appointment of a proxy unless the chairperson is satisfied that it reflects the intention of the shareholder appointing the proxy.
9. Any alterations made in this form of proxy must be initialled by the authorised signatory(ies).
10. This form of proxy is revoked if the shareholder who granted the proxy:
    - 10.1 gives written notice of such revocation to the company, so that it is received by the company by not later than 09:00 on Wednesday, 21 May 2025; or
    - 10.2 subsequently appoints another proxy for the meeting; or
    - 10.3 participates in the meeting in person.
11. All notices that a shareholder is entitled to receive in relation to the company shall continue to be sent to that shareholder and shall not be sent to the proxy.
12. If duly authorised, companies and other corporate bodies who are shareholders of the company having shares registered in their own names may, instead of completing this form of proxy, appoint a representative to represent them and exercise all of their rights at the meeting by giving written notice of the appointment of that representative. That notice will not be effective at the meeting unless it is accompanied by a duly certified copy of the resolution/s or other authorities in terms of which that representative is appointed and is received at the company's transfer secretaries' office, Computershare Investor Services (Pty) Ltd, Rosebank Towers, 15 Biermann Avenue, Rosebank, 2196, by not later than 09:00 on Wednesday, 21 May 2025. If a shareholder does not wish to deliver that notice to that address, it may also be posted, at the risk of the shareholder, to Computershare Investor Services (Pty) Ltd, Private Bag X9000, Saxonwold, 2132. Certificated and/or own-name dematerialised shareholders may also utilise the email address: proxy@computershare.co.za.
13. The completion and lodging of this form of proxy does not preclude the relevant shareholder from participating electronically in the AGM and speaking and voting in person to the exclusion of any proxy appointed by the shareholder.
14. The chairperson of the AGM may accept or reject any form of proxy which is completed and/or received other than in accordance with these instructions, provided that he shall not accept a proxy unless he is satisfied as to the manner in which a shareholder wishes to vote.
