EXPLANATORY STATEMENT IN TERMS OF SECTION 312(1)(a)(i) OF THE ACT

The definitions on pages 6 to 9 of this document have been used in the explanatory statement below.

1. Introduction

- 1.1 The Acquiror proposes to acquire, in terms of section 89 of the Act, by way of a scheme of arrangement in terms of section 311 of the Act, approximately 10% of the number of issued ArcelorMittal shares from the ArcelorMittal shareholders on a *pro rata* basis, for the scheme consideration per scheme share held. The aforesaid will be achieved by the Acquiror acquiring 9.995% of the shareholding of each scheme participant (adjusted by the application of the rounding principle), it being recorded that the above percentage has been reduced to below 10% in order to ensure that the rounding principle does not result in the aggregate number of ArcelorMittal shares being acquired exceeding 10% of the number of issued ArcelorMittal shares. The scheme consideration is, as noted in the Definitions section, the 5-day VWAP at the last practicable date.
- 1.2 If the scheme is implemented, it is expected that approximately 44 575 213 ArcelorMittal shares will be acquired by the Acquiror for an aggregate consideration of approximately R3 906 571 667. At the last practicable date, 44 575 213 ArcelorMittal shares represent 10% of the number of issued ArcelorMittal shares. The scheme shares acquired by the Acquiror will be held as treasury shares.
- 1.3 The scheme (*yellow*) is set out in full in the section immediately following this explanatory statement. For a full understanding of the detailed terms and conditions, this document should be read in its entirety.

2. Rationale for the scheme

The directors continually review the balance sheet of the ArcelorMittal Group with a commitment to maintaining an efficient capital structure. The Company currently has excess free cash in relation to its needs and has therefore resolved to return part of such excess free cash to ArcelorMittal shareholders through the scheme.

One of the primary objectives of the Company is to ensure that all shareholders are treated equally. After implementation of the scheme, a shareholder's effective percentage holding of ArcelorMittal shares will not be diluted as the share buy-back will be implemented on a *pro rata* basis, based on the number of ArcelorMittal shares held by each ArcelorMittal shareholder.

Given the current share price levels, a buy-back in terms of section 89 of the Act is believed to be an appropriate mechanism to return the excess equity to ArcelorMittal shareholders without diluting the interests of any individual ArcelorMittal shareholder. In terms of the section 89 process, the ArcelorMittal shares acquired will remain in issue as treasury shares and such shares can possibly be used by ArcelorMittal for future transactions, including *inter alia* a possible future black empowerment transaction and/or for purposes of the ArcelorMittal Group's share incentive schemes, subject to section 5.75 of the Listings Requirements.

Moreover, the reduction of the number of consolidated ArcelorMittal shares in issue is anticipated to be earnings per share enhancing, as shown in the *pro forma* financial effects set out in the Valuation Statement beginning on page 26.

Accordingly, based on the 5-day VWAP to the last practicable date of R87.64, ArcelorMittal has resolved to return approximately R3.907 billion of excess cash in the Company through a buy-back of ArcelorMittal shares by the Acquiror on a *pro rata* basis from all ArcelorMittal shareholders. The distribution will be funded out of existing free cash resources available to ArcelorMittal at the time of the scheme.

3. Conditions precedent

The scheme is subject to the fulfilment of the following conditions precedent before it becomes operative:

- 3.1 the special resolution approving the Acquiror's acquisition of the scheme shares being duly passed at a general meeting of ArcelorMittal shareholders in accordance with the Act and the Listings Requirements, and such special resolution being registered by the Registrar;
- 3.2 the scheme being approved at the scheme meeting by a majority representing not less than three-fourths (75%) of the votes exercisable by scheme members present and voting in person or by proxy;
- 3.3 the granting of all necessary regulatory approvals to implement the scheme, including, without limitation, any approvals required from the South African Reserve Bank in terms of the Exchange Control Regulations, if required for the implementation of the scheme, having been duly and unconditionally given, or conditionally given on terms and conditions acceptable to the Company;
- 3.4 the Court sanctioning the scheme; and
- 3.5 a certified copy of the Order of Court sanctioning the scheme being registered by the Registrar in terms of the Act.

4. Scheme meeting

- 4.1 The scheme meeting will, in terms of an Order of Court (a copy of which is included in this document), be held under the chairmanship of Mr Solomon Slom, or failing him, Mr Costas Carides.
- 4.2 In terms of the notice of scheme meeting (a copy of which is included in this document), the chairperson has convened the scheme meeting to be held at 10:00 on Monday, 1 June 2009 at the Hilton Sandton, 138 Rivonia Road, Sandton, South Africa, 2196, Tel: +27 11 322 1888 for the purposes of considering and voting on the scheme.
- 4.3 In terms of section 311(2)(b) of the Act, the scheme requires the approval at the scheme meeting of a majority representing not less than three-fourths (75%) of the votes exercisable by scheme members present and voting either in person or by proxy at the scheme meeting.

5. Attendance and voting at the scheme meeting

- 5.1 ArcelorMittal shareholders recorded in the register at the close of business on the voting record date, being the close of business on Wednesday, 27 May 2009, and who are thus scheme members, will be entitled to attend and vote at the scheme meeting, subject to the below paragraphs.
- 5.2 Certificated scheme members and own name dematerialised scheme members will be entitled to attend the scheme meeting in person, or if they are unable to attend the scheme meeting in person and wish to be represented thereat, must complete and return the attached form of proxy (*pink*) to the transfer secretaries to be received by no later than 10:00 on Thursday, 28 May 2009. In addition, completed proxy forms may be handed to the chairperson of the scheme meeting no later than 10 minutes before the scheme meeting is due to commence.
- 5.3 Dematerialised scheme members other than own name dematerialised scheme members or scheme members who hold ArcelorMittal shares through a nominee should advise their nominee or, if applicable, their CSDP or broker timeously of their intention to attend and vote at the scheme

meeting or to be represented by proxy thereat in order for their nominee or, if applicable, their CSDP or broker to provide them with the necessary letter of representation to do so or, should they not wish to attend the scheme meeting in person, they should provide their nominee or, if applicable, their CSDP or broker timeously with their voting instructions in order for their nominee or, if applicable, their CSDP or broker to vote in accordance with their instructions at the scheme meeting.

5.4 Scheme members will be given an opportunity to state their views at the scheme meeting.

6. Sanctioning of the scheme by the Court

6.1 If the scheme is approved by the requisite majority of scheme members at the scheme meeting and the conditions precedent referred to in paragraphs 3.1, 3.2 and 3.3 above are fulfilled, ArcelorMittal will make application to the Court for the sanctioning of the scheme.

6.2 All ArcelorMittal shareholders are entitled to attend in person, or be represented by Counsel, at the Court hearing for the sanctioning of the scheme to be held at 10:00 on Tuesday, 9 June 2009 or as soon thereafter as Counsel may be heard. The Court is located at the High Court Building, Von Brandis Square, corner Pritchard and Von Brandis Streets, Johannesburg.

6.3 Subject to the sanctioning of the scheme by the Court, a certified copy of the Order of Court will be lodged with the Registrar for registration. Once registered, the scheme will become binding on all scheme participants, whether or not they voted in favour of the scheme.

6.4 Subject to the conditions precedent being fulfilled, it is expected that the scheme will become operative on Monday, 29 June 2009. Any change in the expected dates will be announced on SENS and in the press.

7. Settlement of the scheme consideration

7.1 The Acquiror will, in satisfaction of its obligations, deliver the scheme consideration to ArcelorMittal on the operative date, it being recorded that settlement of the scheme consideration due to scheme participants will be effected exclusively by ArcelorMittal.

7.2 ArcelorMittal shall deliver the scheme consideration to the scheme participants, as set out in paragraphs 7.3 and 7.4 below. Delivery by ArcelorMittal of the scheme consideration shall be the sole and exclusive manner of discharge by the Acquiror of its obligations in respect of the scheme and the rights of scheme participants to receive the scheme consideration will be rights enforceable by scheme participants against ArcelorMittal only.

7.3 Certificated scheme participants

For certificated scheme participants, cheques in respect of the scheme consideration and new revised ArcelorMittal share certificates reflecting the new ISIN will be posted by registered post within five business days of the operative date to those certificated scheme participants who have surrendered their documents of title in respect of their entire holdings of ArcelorMittal shares and furnished duly signed surrender forms (*white*) in accordance with the instructions contained therein to the transfer secretaries on or prior to 12:00 on the record date of the scheme. If a certificated scheme participant's documents of title are surrendered only after 12:00 on the record date, cheques in respect of the scheme consideration and new revised ArcelorMittal share certificates reflecting the new ISIN will be posted by registered post within five business days of receipt thereof by the transfer secretaries. The scheme consideration will be electronically transferred directly into a certificated scheme participant's bank account if these details are available to the transfer secretaries and the scheme participant has entered into a mandate with the transfer secretaries.

7.4 Dematerialised scheme participants

Dematerialised scheme participants will have their accounts with their CSDP or broker credited with the scheme consideration and debited with the scheme shares on the operative date. Insofar as receipt of their scheme consideration is concerned, these scheme participants need not take any action as this will be done by their CSDP or broker.

- 7.5 The scheme consideration to which a scheme participant is entitled when the scheme becomes operative will be implemented in full in accordance with the terms of the scheme without regard to any lien, right of set-off, counterclaim or other analogous right to which the Acquiror or ArcelorMittal may otherwise be, or claim to be, entitled against such scheme participant.

8. Surrender of documents of title

This paragraph 8 only applies to certificated scheme participants and does not apply to dematerialised scheme participants.

- 8.1 If the conditions precedent are fulfilled and the scheme becomes operative, scheme participants will be entitled to receive the scheme consideration, but in the case of certificated scheme participants, the scheme consideration and the new revised ArcelorMittal share certificates reflecting the new ISIN will not be delivered to them unless and until they have surrendered their documents of title in respect of their entire holdings of ArcelorMittal shares. If the documents of title in respect of certificated scheme participants are not surrendered prior to the operative date, the certificates may still be delivered in order to receive the scheme consideration and the new revised ArcelorMittal share certificates reflecting the new ISIN.
- 8.2 On the operative date, the scheme shares will be acquired by the Acquiror.
- 8.3 The scheme consideration due to a certificated scheme participant will only be payable upon receipt by the transfer secretaries of the documents of title in respect of all of his/her ArcelorMittal shares.
- 8.4 Certificated shareholders who wish to anticipate the scheme becoming operative on the operative date should complete the attached surrender form (*white*) and send it together with their documents of title to the transfer secretaries, Computershare Investor Services (Proprietary) Limited at Ground Floor, 70 Marshall Street, Johannesburg, 2001 (PO Box 61763, Marshalltown, 2107), in advance of the record date of the scheme. Such surrendered documents of title will be held in trust by the transfer secretaries, pending the scheme becoming operative. Should the scheme not become operative for whatever reason, such documents will, within five business days of the date upon which it becomes known that the scheme will not become operative, be returned by registered post at the risk of the certificated shareholder concerned. Certificated shareholders who surrender their documents of title before the record date of the scheme will not be able to dematerialise their ArcelorMittal shares between the date of surrender and the operative date. In addition, no dematerialisation or rematerialisation of existing ArcelorMittal shares will take place after Friday, 19 June 2009. Dematerialisation or rematerialisation of ArcelorMittal shares reflecting the new ISIN will recommence from Monday, 29 June 2009.
- 8.5 Alternatively, certificated scheme participants can wait until the operative date and surrender their documents of title in respect of their entire holdings of scheme shares together with the attached form of surrender (*white*) at that time, by sending these documents to the transfer secretaries, Computershare Investor Services (Proprietary) Limited at Ground Floor, 70 Marshall Street, Johannesburg, 2001 (PO Box 61763, Marshalltown, 2107), or notify their broker accordingly.
- 8.6 No receipts will be issued for documents of title surrendered unless specifically requested. In order to comply with the requirements of the JSE, lodging agents are requested to prepare special transaction receipts if required.
- 8.7 If documents of title have been lost or destroyed and the holder produces evidence to this effect to the Acquiror's and ArcelorMittal's satisfaction, the Acquiror and ArcelorMittal acting jointly may dispense with the surrender of documents of title requirement against provision of an acceptable indemnity by the relevant certificated scheme participant, the costs of which indemnity will be borne by the certificated scheme participant concerned.
- 8.8 ArcelorMittal shares may only be traded in dematerialised form. Certificated scheme participants who wish to retain their physical share certificates should note that they need not submit their share certificates for dematerialisation. However, in order to receive the scheme consideration, and to reflect the correct number of shares held on the share certificates and to ensure that the share certificates are valid for delivery for dematerialisation in the future, it will be necessary to surrender all ArcelorMittal share certificates in issue in order to replace them with new revised ArcelorMittal share certificates reflecting the new ISIN.

8.9 Once the scheme is approved and becomes operative a further document containing another form of surrender will be sent to all certificated scheme participants who have not yet surrendered their documents of title.

8.10 If the relevant documents of title are not surrendered, or if the scheme consideration and new revised ArcelorMittal share certificates reflecting the new ISIN are returned undelivered to the transfer secretaries, such scheme consideration and share certificates will be held by the transfer secretaries on behalf of and for the benefit of the relevant scheme participants until claimed. No interest will accrue or be paid to a scheme participant on any cash or ArcelorMittal shares so held.

9. Exchange Control Regulations

The scheme consideration payable to a scheme participant is not freely transferable from South Africa and must be dealt with in terms of the Exchange Control Regulations. The following is a summary of the Exchange Control Regulations as they affect emigrant and non-resident scheme participants. Scheme participants who are not resident in, or who have a registered address outside South Africa must satisfy themselves as to the full observance of the laws of any relevant jurisdiction concerning the receipt of the scheme consideration and new revised ArcelorMittal share certificates reflecting the new ISIN or the amendment of their share statements, including obtaining any requisite governmental or other consents, observing any other requisite formalities and paying any issue, transfer or other taxes due in such territory. In the event that scheme participants have any doubts, they should consult their professional advisors without delay.

9.1 Emigrants

The scheme consideration due to a scheme participant who is an emigrant from the common monetary area, whose registered address is outside the common monetary area will:

9.1.1 in the case of a certificated scheme participant whose documents of title have been restrictively endorsed under the Exchange Control Regulations, be deposited in a blocked Rand account with the authorised dealer in foreign exchange in South Africa controlling such certificated scheme participant's blocked assets in accordance with his instructions. The attached surrender form (*white*) makes provision for details of the authorised dealer concerned to be given; and

9.1.2 in the case of a dematerialised scheme participant, be credited directly to the scheme participant's blocked Rand account by his duly appointed CSDP and held to the order of the authorised dealer in foreign exchange in South Africa.

The new revised ArcelorMittal share certificates reflecting the new ISIN due to a certificated scheme participant who is an emigrant and whose documents of title have been restrictively endorsed under the Exchange Control Regulations, on the surrender of the appropriate documents of title, will be similarly endorsed and sent to the authorised dealer controlling the blocked assets of the emigrant certificated scheme participant.

9.2 All other non-residents of the common monetary area

The scheme consideration due to non-resident scheme participants whose registered addresses are outside of the common monetary area and who are not emigrants from the common monetary area will:

9.2.1 in the case of a certificated scheme participant whose documents of title have been endorsed "non-resident" under the Exchange Control Regulations, be posted to their registered address, unless written instructions to the contrary are received and an address is provided. The attached form of surrender (*white*) makes provision for a substitute address or bank details to be provided; and

9.2.2 in the case of a dematerialised scheme participant, be credited directly to the scheme participant's non-resident account held with the authorised dealer in foreign exchange in South Africa.

The new revised ArcelorMittal share certificates reflecting the new ISIN due to a non-resident certificated scheme participant will be endorsed "non-resident". The new revised ArcelorMittal share certificate reflecting the new ISIN will be forwarded, at the risk of the scheme participant concerned, to their registered address or substitute address if provided.

2. Share capital of ArcelorMittal

The table below reflects the authorised and issued share capital of ArcelorMittal before and after the scheme:

Before the scheme	R'm
Authorised	
1 200 000 000 ordinary shares of no par value	–
2 357 584 “C” redeemable preference shares at R10.00 each	24
Issued	
445 752 132 ordinary shares of no par value	37
Total	37
<hr/>	
After the scheme	R'm
Authorised	
1 200 000 000 ordinary shares of no par value	–
2 357 584 “C” redeemable preference shares at R10.00 each	24
Issued	
401 176 919 ordinary shares of no par value (excluding treasury shares)	33
44 575 213 ordinary shares of no par value held as treasury shares	4
Total	37

2.1 The number of ArcelorMittal shares in issue after the scheme, assumes that the Acquiror will acquire 44 575 213 scheme shares. The scheme shares acquired by the Acquiror will then be held as treasury shares. ArcelorMittal will, as soon as possible after the operative date, advise ArcelorMittal shareholders as to the actual number of scheme shares that have been acquired.

2.2 All of the issued ArcelorMittal shares are of one class and rank *pari passu* in all respects.

2.3 At the last practicable date there were no shares held as treasury shares.

3. The object of the scheme

The object of the scheme is to procure that the scheme shares are acquired, in terms of section 89 of the Act, by the Acquiror from the scheme participants in return for the scheme consideration. The scheme shares acquired by the Acquiror will be held as treasury shares.

4. The scheme

4.1 Subject to the scheme becoming operative, with effect from the operative date:

4.1.1 scheme participants shall dispose of the scheme shares and the Acquiror shall acquire the scheme shares in terms of section 89 of the Act, respectively, free from any encumbrances;

4.1.2 the scheme shares acquired by the Acquiror shall be held as treasury shares and such shares can possibly be used by ArcelorMittal for future transactions, including *inter alia* a possible future black empowerment transaction or for purposes of the ArcelorMittal Group’s share incentive schemes, subject to section 5.75 of the Listings Requirements;

4.1.3 the disposal and transfer of the scheme shares held by each scheme participant to the Acquiror and the acquisition of ownership of those shares by the Acquiror pursuant to the provisions of paragraph 4.1.1 above, shall be effected in accordance with the following provisions:

4.1.3.1 in the case of certificated shares, each scheme participant shall be deemed to have ceded to the Acquiror on the operative date the relevant number of scheme shares held by the scheme participant in accordance with the Table of Entitlement, which is Annexure III to the document in which the scheme is included, without any further act or action being required; and

4.1.3.2 in the case of dematerialised shares, the transfer of ownership shall be effected on the operative date in accordance with the requirements of section 91A(4) of the Act and the Rules of Strate, by the debiting of the account of the scheme participant or its nominee in ArcelorMittal's sub-register maintained by the scheme participant's CSDP and the crediting of the account of the Acquiror in ArcelorMittal's sub-register maintained by the Acquiror's CSDP; and

4.1.4 the Acquiror will, in satisfaction of its obligations, deliver the scheme consideration to ArcelorMittal on the operative date, it being recorded that settlement of the scheme consideration due to scheme participants will be effected exclusively by ArcelorMittal;

4.1.5 ArcelorMittal, or the transfer secretaries as agent for and on behalf of ArcelorMittal, shall deliver the scheme consideration to scheme participants in accordance with paragraph 6 below.

4.2 Each certificated scheme participant irrevocably and in *rem suam* authorises ArcelorMittal, with power of substitution, to:

4.2.1 cause such number of the scheme shares disposed of by the scheme participant in terms of the scheme and acquired by the Acquiror to be transferred and registered in the name of the Acquiror on or at any time after the operative date, and to do all such things and take all such steps (including the signing of any transfer form) as ArcelorMittal in its discretion considers necessary in order to effect that transfer and registration; and

4.2.2 receive the scheme participant's surrender, or procure that the transfer secretaries as agent for and on behalf of ArcelorMittal receive the scheme participant's surrender, of the documents of title relating to the certificated scheme participant's scheme shares.

4.3 Each dematerialised scheme participant irrevocably and in *rem suam* authorises ArcelorMittal, with power of substitution, to instruct his CSDP to cause the scheme shares disposed of by the scheme participant to the Acquiror in terms of the scheme to be transferred in terms of section 91A(4) of the Act to the Acquiror in accordance with the requirements of the scheme, and to do all such things and take all such steps as ArcelorMittal in its discretion considers necessary in order to effect that transfer.

4.4 Delivery by the Acquiror to ArcelorMittal, as its agent, of the scheme consideration shall be the sole and exclusive manner of discharge by the Acquiror of its obligations in respect of the scheme.

4.5 The rights of the scheme participants to receive the scheme consideration will be rights enforceable by scheme participants against ArcelorMittal only. Scheme participants will in turn be entitled to require ArcelorMittal to enforce their rights in terms of the scheme against the Acquiror.

4.6 Subject to the scheme being approved by the requisite majority of scheme members at the scheme meeting and the fulfilment of the conditions precedent in paragraphs 9.1, 9.2 and 9.3 below, application will be made to the Court to sanction the scheme.

4.7 The scheme will be implemented on the operative date. Any change in the expected dates will be announced on SENS and in the press.

5. The scheme consideration

5.1 In consideration for the disposal by each scheme participant of his scheme shares to the Acquiror, the scheme participant shall, subject to the scheme becoming operative, be entitled to receive the scheme consideration of R87.64 for every scheme share held by him on the record date of the scheme.

5.2 Scheme participants are referred to paragraph 8 below regarding the treatment of their scheme consideration in terms of the Exchange Control Regulations.

5.3 Scheme participants are referred to paragraph 2 of the Valuation Statement regarding the tax implications of the scheme for scheme participants.

6. Settlement of the scheme consideration

6.1 The Acquiror will, in satisfaction of its obligations, deliver the scheme consideration to ArcelorMittal on the operative date, it being recorded that settlement of the scheme consideration due to scheme participants will be effected exclusively by ArcelorMittal.

6.2 ArcelorMittal shall deliver the scheme consideration to scheme participants, as set out in paragraphs 6.3 and 6.4 below. Delivery by ArcelorMittal of the scheme consideration shall be the sole and exclusive manner of discharge by the Acquiror of its obligations in respect of the scheme.

6.3 Certificated scheme participants

For certificated scheme participants, cheques in respect of the scheme consideration and new revised ArcelorMittal share certificates reflecting the new ISIN will be posted by registered post within five business days of the operative date to those certificated scheme participants who have surrendered their documents of title in respect of their entire holdings of ArcelorMittal shares and furnished duly signed surrender forms (*white*) in accordance with the instructions contained therein to the transfer secretaries on or prior to the record date of the scheme. If a certificated scheme participant's documents of title are surrendered after 12:00 on the record date, cheques in respect of the scheme consideration and new revised ArcelorMittal share certificates reflecting the new ISIN will be posted by registered post within five business days of receipt thereof by the transfer secretaries. The scheme consideration will be electronically transferred directly into a certificated scheme participant's bank account if these details are available to the transfer secretaries and the scheme participant has entered into a mandate with the transfer secretaries.

6.4 Dematerialised scheme participants

Dematerialised scheme participants will have their accounts with their CSDP or broker credited with the scheme consideration and debited with the scheme shares on the operative date. Scheme participants need take no further action as this will be done by their CSDP or broker.

6.5 The scheme consideration to which a scheme participant is entitled when the scheme becomes operative will be settled in full in accordance with the terms of the scheme without regard to any lien, right of set-off, counterclaim or other analogous right to which ArcelorMittal may otherwise be, or claim to be, entitled against such scheme participant.

7. Surrender of documents of title

This paragraph 7 only applies to certificated scheme participants and does not apply to dematerialised scheme participants.

7.1 If the conditions precedent set out in paragraph 9 are fulfilled and the scheme becomes operative, scheme participants will be entitled to receive the scheme consideration, but in the case of certificated scheme participants, the scheme consideration and the new revised ArcelorMittal share certificates reflecting the new ISIN will not be delivered to them unless and until they have surrendered their documents of title in respect of all of their ArcelorMittal shares. If the documents of title in respect of certificated scheme shares are not surrendered prior to the operative date, the certificates in respect thereof shall no longer be good for delivery other than for the purposes of the scheme in order to receive the scheme consideration and the new revised ArcelorMittal share certificates reflecting the new ISIN.

7.2 The scheme consideration due to a certificated scheme participant will only be payable upon receipt by the transfer secretaries of the documents of title in respect of all his ArcelorMittal shares.

7.3 Certificated shareholders who wish to anticipate the scheme becoming operative on the operative date should complete the surrender form (*white*) and send it together with their documents of title to the transfer secretaries, Computershare Investor Services (Proprietary) Limited at Ground Floor, 70 Marshall Street, Johannesburg, 2001 (PO Box 61763, Marshalltown, 2107), in advance of the record date of the scheme. Such surrendered documents of title will be held in trust by the transfer secretaries, pending the scheme becoming operative. Should the scheme not become operative for whatever reason, such documents will, within five business days of the date upon which it becomes known that the scheme will not become operative, be returned by registered post at the risk of the certificated shareholder concerned. Certificated shareholders who surrender their documents of title before the record date of the scheme will not be able to dematerialise those ArcelorMittal

shares between the date of surrender and the operative date. In addition, no dematerialisation or rematerialisation of existing ArcelorMittal shares will take place after Friday, 19 June 2009. Dematerialisation and rematerialisation of ArcelorMittal shares will recommence from Monday, 29 June 2009.

- 7.4** Alternatively, certificated scheme participants can wait until the operative date and surrender their documents of title together with the attached form of surrender (*white*) at that time, by sending these documents to the transfer secretaries, Computershare Investor Services (Proprietary) Limited at Ground Floor, 70 Marshall Street, Johannesburg, 2001 (PO Box 61763, Marshalltown, 2107), or notify their broker accordingly.
- 7.5** No receipts will be issued for documents of title surrendered unless specifically requested. In order to comply with the requirements of the JSE, lodging agents are requested to prepare special transaction receipts if required.
- 7.6** If documents of title have been lost or destroyed and the holder produces evidence to this effect to the Acquiror's and ArcelorMittal's satisfaction, the Acquiror and ArcelorMittal acting jointly may dispense with the surrender of documents of title requirement against provision of an acceptable indemnity by the relevant certificated scheme participant, the costs of which indemnity will be borne by the certificated scheme participant concerned.
- 7.7** ArcelorMittal shares may only be traded in dematerialised form. Certificated scheme participants who wish to retain their physical share certificates should note that they need not submit their share certificates for dematerialisation. However, in order to receive the scheme consideration, and to reflect the correct number of shares held on the share certificates and to ensure that the share certificates are valid for delivery for dematerialisation in the future, it will be necessary to recall all ArcelorMittal share certificates in issue in order to replace them with new revised ArcelorMittal share certificates reflecting the new ISIN.
- 7.8** Once the scheme is approved and becomes operative a further document containing another form of surrender will be sent to all certificated scheme participants who have not yet surrendered their documents of title.
- 7.9** If the relevant documents of title are not surrendered, or if the scheme consideration and new revised ArcelorMittal share certificates reflecting the new ISIN are returned undelivered to the transfer secretaries, such scheme consideration and share certificates will be held by the transfer secretaries on behalf of and for the benefit of the relevant scheme participants until claimed. No interest will accrue or be paid to a scheme participant on any cash or ArcelorMittal shares so held.

8. Exchange Control Regulations

The scheme consideration payable to a scheme participant is not freely transferable from South Africa and must be dealt with in terms of the Exchange Control Regulations. The following is a summary of the Exchange Control Regulations as they affect emigrant and non-resident scheme participants. Scheme participants who are not resident in, or who have a registered address outside South Africa must satisfy themselves as to the full observance of the laws of any relevant jurisdiction concerning the receipt of the scheme consideration and new revised ArcelorMittal share certificates reflecting the new ISIN or the amendment of their share statements, including obtaining any requisite governmental or other consents, observing any other requisite formalities and paying any issue, transfer or other taxes due in such territory. In the event that scheme participants have any doubts, they should consult their professional advisors without delay.

8.1 Emigrants

The scheme consideration due to a scheme participant, who is an emigrant from the common monetary area, whose registered address is outside the common monetary area, will:

- 8.1.1** in the case of a certificated scheme participant whose documents of title have been restrictively endorsed under the Exchange Control Regulations, be deposited in a blocked Rand account with the authorised dealer in foreign exchange in South Africa controlling such certificated scheme participant's blocked assets in accordance with his instructions. The attached surrender form (*white*) makes provision for details of the authorised dealer concerned to be given; and

8.1.2 in the case of a dematerialised scheme participant, be credited directly to the scheme participant's blocked Rand account by his duly appointed CSDP and held to the order of the authorised dealer in foreign exchange in South Africa.

The new revised ArcelorMittal share certificates reflecting the new ISIN due to a certificated scheme participant who is an emigrant and whose documents of title have been restrictively endorsed under the Exchange Control Regulations, on the surrender of the appropriate documents of title, will be similarly endorsed and sent to the authorised dealer controlling the blocked assets of the emigrant certificated scheme participant.

8.2 All other non-residents of the common monetary area

The scheme consideration due to non-resident scheme participants whose registered addresses are outside of the common monetary area and who are not emigrants from the common monetary area will:

8.2.1 in the case of a certificated scheme participant whose documents of title have been endorsed "non-resident" under the Exchange Control Regulations, be posted to their registered address, unless written instructions to the contrary are received and an address is provided. The attached form of surrender (*white*) makes provision for a substitute address or bank details to be provided; and

8.2.2 in the case of a dematerialised scheme participant, be credited directly to the scheme participant's non-resident account held with the authorised dealer in foreign exchange in South Africa.

The new revised ArcelorMittal share certificates reflecting the new ISIN due to a non-resident certificated scheme participant will be endorsed "non-resident". The new revised ArcelorMittal share certificate reflecting the new ISIN will be forwarded, at the risk of the scheme participant concerned, to their registered address or substitute address if provided.

9. Conditions precedent

The scheme is subject to the fulfilment of the following conditions precedent before it becomes operative:

- 9.1 the special resolution approving the Acquiror's acquisition of the scheme shares being duly passed at a general meeting of ArcelorMittal shareholders in accordance with the Act and the Listings Requirements, and the registration of such special resolution by the Registrar;
- 9.2 the scheme being approved at the scheme meeting by a majority representing not less than three-fourths (75%) of the votes exercisable by scheme members present and voting in person or by proxy;
- 9.3 the granting of all necessary regulatory approvals to implement the scheme, including, without limitation, any approvals required from the South African Reserve Bank in terms of the Exchange Control Regulations, if required for the implementation of the scheme, having been duly and unconditionally given, or conditionally given on terms and conditions acceptable to the Company.
- 9.4 the Court sanctioning the scheme; and
- 9.5 a certified copy of the Order of Court sanctioning the scheme being registered by the Registrar in terms of the Act.

10. Instructions and authorities

- 10.1 The Acquiror shall be entitled to accept and act on all documents relating to the status and capacity of any scheme participant.
- 10.2 Each mandate, instruction or authority with regard to the scheme shares recorded with the Acquiror at the record date of the scheme will be deemed, unless and until revoked, to be a mandate, instruction or authority to the Acquiror in respect of any right accruing in respect of the scheme consideration.

11. General

- 11.1** The Acquiror hereby undertakes that, immediately after the scheme becomes operative, the Acquiror will sign and/or procure the signing of all documents which are necessary to be signed and will carry out and/or procure the carrying out of all acts which are necessary to be carried out to give effect to the scheme.
- 11.2** On the operative date, documents of title to all scheme shares will cease to be of any value, other than for the purposes of surrender in terms of the scheme.
- 11.3** On the operative date, every director of ArcelorMittal and every director of the transfer secretaries will irrevocably be deemed to be the attorney and agent in *rem suam* of each scheme participant to implement the scheme and registration of transfer referred to in paragraphs 4, 5, 6 and 7 above and to sign any instrument of transfer in respect thereof or any other documents required to implement the scheme.
- 11.4** ArcelorMittal may consent:
- 11.4.1* before or at the scheme meeting, at any time prior to the voting in respect of the scheme, to any amendment, variation or modification of the scheme; or
- 11.4.2* after the scheme meeting, to any amendment, variation or modification which the Court may think fit to approve or impose, provided that no amendment, variation or modification made after the scheme meeting may have the effect of diminishing the rights which will accrue to a scheme participant in terms of the scheme.
- 11.5** A certificate signed by any director stating that all the conditions of the scheme have been fulfilled and that the scheme has become operative shall be binding on ArcelorMittal and the scheme participants.
- 11.6** A certified copy of the Order of the Court sanctioning the scheme, to which a copy of the scheme will be attached, will constitute the arrangement entitling scheme participants to the scheme consideration, which arrangement is required to be registered by the Registrar in terms of the Act.
- 11.7** All dates and times referred to in the scheme are subject to amendment by ArcelorMittal and approval by the JSE. Details of any such amendments will be published on SENS and in the press.
- 11.8** The Acquiror will not attend or vote at the scheme meeting.
- 11.9** The costs of preparing, signing and carrying the scheme into effect including the payment of stamp duty and securities transfer tax on the transfer of the scheme shares shall be borne and paid by the Acquiror.
- 11.10** If any provision in a definition is a substantive provision conferring a right or imposing an obligation on any party then, notwithstanding that it is only a definition, effect shall be given to that provision as if it were a substantive provision in the body of the scheme.

1. Financial effects of the scheme

Tangible net asset value (Note 3)	6 264	5 984	(4.48)

The unaudited *pro forma* financial effects have been prepared for illustrative purposes only, in order to provide information on how the share buy-back might affect the financial results and position of an ArcelorMittal shareholder and, because of their nature, may not give a true reflection of the financial position, changes in equity, results of operations or cash flows after the scheme. The *pro forma* financial effects have been calculated on the basis set out below. The *pro forma* financial effects are the responsibility of the directors and does not purport to be indicative of what the financial results would have been, had the share buy-back been implemented on a different date. The unaudited *pro forma* financial information of ArcelorMittal should be read in conjunction with the *pro forma* financial statements (Annexure I) and the report of the independent reporting accountants and auditors (Annexure II).

Notes:

- The "Before" column reflects the earnings and headline earnings per ArcelorMittal share for the year ended 31 December 2008, calculated on the basis of 445 752 132 weighted average number of ArcelorMittal shares in issue throughout the period. The "After" column assumes that the scheme was implemented with effect from 1 January 2008, and is calculated on the basis of 401 176 919 weighted average number of ArcelorMittal shares in issue and assuming interest foregone of R323 million on the consideration at an after-tax interest rate of 8.25%.
- The "Before" column reflects the diluted earnings and diluted headline earnings per ArcelorMittal share for the year ended 31 December 2008, calculated on the basis of 447 433 478 weighted average number of ArcelorMittal shares in issue throughout the period. The "After" column assumes that the scheme was implemented with effect from 1 January 2008, and is calculated on the basis of 402 858 265 weighted average number of ArcelorMittal shares in issue and assuming interest foregone of R323 million on the consideration at an after-tax interest rate of 8.25%.
- The "Before" column reflects the net asset value per ArcelorMittal share and the tangible net asset value per ArcelorMittal share as at 31 December 2008, and is based on 445 752 132 ArcelorMittal shares in issue. The "After" column assumes that the scheme was implemented on 31 December 2008, calculated on the basis of 401 176 919 ArcelorMittal shares in issue.

4. Transactional costs estimated at R4 250 000 and securities transfer tax estimated at R7 500 000 have been taken into account in arriving at the above financial effects.
5. A share price of R87.64 per share has been taken into account in arriving at the above financial effects.
6. The after-tax interest rate of 8.25% is based on the average of the monthly deposit rates received over the period 1 January 2008 to 31 December 2008.

2. Tax implications for scheme participants

This summary serves as a general guide and is not intended to constitute a complete analysis of the tax consequences of the implementation of the scheme under South African law. It is not intended to be, nor should it be, considered to be legal or tax advice. ArcelorMittal shareholders are accordingly advised to consult their own professional advisors pertaining to the tax consequences of the scheme and their tax positions. In this context South African tax residents will be treated differently from foreign tax residents from a tax perspective. The Acquiror, ArcelorMittal and their advisors will not be held responsible for the tax consequences of the implementation of the scheme for ArcelorMittal shareholders under South African law, the law of the jurisdiction of their normal residence or tax residence and any double-taxation treaty concluded between South Africa and any of those jurisdictions.

2.1 Taxation considerations relating to the ArcelorMittal distribution

Subject to the fulfilment of the conditions precedent and the scheme becoming operative, scheme participants will receive the scheme consideration of R87.64 per scheme share pursuant to a disposal thereof.

The tax treatment of the scheme consideration received by ArcelorMittal shareholders from the Acquiror would depend on whether the scheme consideration would be regarded as a receipt of a capital or revenue nature. The normal capital versus revenue tests as set out in South African case law would apply in this instance.

2.1.1 Shares held on capital account

Should an ArcelorMittal shareholder hold the ArcelorMittal shares as a capital investment, the scheme consideration received would be regarded as proceeds for CGT purposes. (Please note that the disposal by the shareholder would be an actual and not a part disposal for CGT purposes.) Such shareholder would therefore be required to determine a capital gain or loss on the date that the proceeds in respect of the share buy-back accrues by applying the proceeds against the base cost of those shares. The base cost of the ArcelorMittal shares that can be taken into account in determining the capital gain or loss depends on the particular circumstances of each ArcelorMittal shareholder.

2.1.1.1 Capital gains realised in respect of short-term disposals

In the event that an ArcelorMittal shareholder restores his/her initial level of desired investment in the Company subsequent to the implementation of the scheme by purchasing other shares in the Company from existing shareholders, the provisions of paragraph 42A of Schedule Eight to the Income Tax Act may apply to provide a deferral of the capital gain realised in respect of the disposal of the ArcelorMittal shares under the scheme.

Paragraph 42A effectively provides for a deferral of the capital gain realised in respect of the disposal of a listed share under a scheme of arrangement which has been sanctioned by the Court in terms of section 311 of the Act. However, the capital gain would only be deferred in circumstances where the ArcelorMittal shareholder acquires the same number of ArcelorMittal shares in the Company as which have been disposed of under the section 311 scheme, within a period of 90 days after the disposal of the scheme shares.

To the extent these rules apply, the ArcelorMittal shares disposed of pursuant to the implementation of the scheme are deemed sold at cost (i.e. no gain is recognised on the forced sale). However, ArcelorMittal shareholders should note that the deferred nature of the transaction is rolled over into the new ArcelorMittal shares. More specifically, if the repurchased ArcelorMittal shares have a cost equal to or greater than the gain deferred on the forced disposal of the initial shares, any expenditure for the new ArcelorMittal share is reduced by the gain deferred. If the repurchased ArcelorMittal share has a cost that falls below the gain deferred, the repurchased share has an expenditure of nil and gain is immediately recognised to the extent the otherwise deferred gain exceeds the cost of the repurchased share.

2.1.1.2 Capital losses realised in respect of short-term disposals

In the event that an ArcelorMittal shareholder realises a capital loss in respect of the disposal of his/her ArcelorMittal shares and that person, or a connected person to that shareholder, acquires shares in the Company, of the same quantity as those disposed of under the scheme, within a period beginning 45 days before that disposal and ending 45 days after that date, the ArcelorMittal shareholder would be required to defer that capital loss in terms of the provisions of paragraph 42 of Schedule Eight to the Income Tax Act. Paragraph 42 defers the capital loss by providing that the person disposing of the ArcelorMittal shares would be regarded as having disposed of the shares for proceeds equal to the base cost of those shares. The new ArcelorMittal shares, or replacement ArcelorMittal shares, acquired would be regarded as having been acquired at a cost equal to the actual cost thereof plus the amount of the capital loss which would have been realised in respect of the ArcelorMittal shares upon implementation of the scheme.

2.1.1.3 Capital losses on disposal of shares

In the event that an ArcelorMittal shareholder suffers a capital loss in respect of the disposal of his/her ArcelorMittal shares, such shareholder must satisfy him/herself that the provisions of paragraph 19 of Schedule Eight to the Income Tax Act do not apply.

Paragraph 19 of Schedule Eight provides that where a dividend which exceeds 15% of the proceeds on disposal of a share has been declared (referred to as an “extraordinary dividend”), and that disposal has taken place within two years of receipt of the extraordinary dividend, the amount of the dividend must be deducted from the base cost of the shares, so as to reduce any loss arising from the disposal.

2.1.2 Shares held on revenue account/speculative

Should an ArcelorMittal shareholder hold ArcelorMittal shares as a speculative asset or as trading stock, the scheme consideration would be regarded as gross income in the shareholder’s hands and therefore included in taxable income. The ArcelorMittal shareholder may be entitled to claim a deduction against the proceeds in respect of the cost incurred in respect of the ArcelorMittal shares in terms of the provisions of section 11(a) and section 22 of the Income Tax Act, since the entire share is disposed of to the Company in terms of a share buy-back performed in accordance with the provisions of section 89 of the Act.

2.1.3 Section 9C of the Income Tax Act – the three-year rule

Where an ArcelorMittal shareholder has held ArcelorMittal shares for a continuous period of at least three years, any scheme consideration derived from the disposal of those shares would automatically be deemed to be of a capital nature in terms of section 9C of the Income Tax Act. The buy-back of the ArcelorMittal shares by the Acquiror would therefore give rise to a receipt of a capital nature for ArcelorMittal shareholders who held the ArcelorMittal shares for a continuous period of at least three years, regardless of whether those shareholders held the shares on capital or revenue account.

2.1.4 Securities Transfer Tax

The acquisition of the scheme shares by the Acquiror is subject to securities transfer tax at the rate of 0.25%, payable by the Acquiror.

3. Share capital of ArcelorMittal

The table below reflects the authorised and issued share capital of ArcelorMittal before and after the scheme:

Before the scheme	R'm
Authorised	
1 200 000 000 ordinary shares of no par value	–
2 357 584 “C” redeemable preference shares at R10.00 each	24
Issued	
445 752 132 ordinary shares of no par value	37
Total	37

After the scheme	R'm
Authorised	
1 200 000 000 ordinary shares of no par value	–
2 357 584 “C” redeemable preference shares at R10.00 each	24
Issued	
401 176 919 ordinary shares of no par value	33
44 575 213 ordinary shares of no par value held as treasury shares	4
Total	37

3.1 The number of ArcelorMittal shares in issue after the scheme, assumes that the Acquiror will acquire 44 575 213 scheme shares. The 44 575 213 scheme shares acquired by the Acquiror will then be held as treasury shares. ArcelorMittal will, as soon as possible after the operative date, advise ArcelorMittal shareholders as to the number of scheme shares that have been acquired.

3.2 All of the issued ArcelorMittal shares are of one class and rank *pari passu* in all respects.

3.3 At the last practicable date there were no shares held as treasury shares.

UNAUDITED *PRO FORMA* INCOME STATEMENT AND BALANCE SHEET INFORMATION

The unaudited *pro forma* financial information of ArcelorMittal was prepared in order to provide the illustrative financial effects of the share buy-back, assuming that the share buy-back occurred on 1 January 2008 for the purposes of the Income Statement and on 31 December 2008 for the purposes of the Balance Sheet. The unaudited *pro forma* financial effects are based on the assumptions set out below and include assumptions on share price.

The unaudited *pro forma* financial information is the responsibility of the directors and was prepared for illustrative purposes only and may not, because of its nature, fairly present ArcelorMittal's financial position, changes in equity and results of its operations or cash flows. It does not purport to be indicative of what the financial results would have been, had the share buy-back been implemented on a different date.

The independent reporting accountants' report on the unaudited *pro forma* income statement and balance sheet is set out in Annexure II to this document.

THE UNAUDITED *PRO FORMA* FINANCIAL EFFECTS**

“The Directors
ArcelorMittal South Africa Limited
Room N3-5
Main Building
Delfos Boulevard

24 April 2009

Dear Sirs

**INDEPENDENT REPORTING ACCOUNTANTS' ASSURANCE REPORT ON THE UNAUDITED *PRO FORMA*
FINANCIAL INFORMATION OF ARCELORMITTAL SOUTH AFRICA LIMITED (“ArcelorMittal”)**

We have performed our limited assurance engagement in respect of the *pro forma* financial information set out in paragraph 1 of the “Valuation Statement in terms of section 312 (1) (a) (ii) of the Act” section of the circular, headed “Financial effects of the scheme” and Annexure I of the circular dated on or about 8 May 2009 issued in connection with the offer by Vicva Investments and Trading Nine (Proprietary) Limited to acquire from ArcelorMittal shareholders, *pro rata* to their shareholding, up to 44 575 213 shares for the consideration of R87.64 per share (“the share buy-back”), that is the subject of this circular. The *pro forma* financial information has been prepared in accordance with the requirements of the JSE Limited (“JSE”) Listings Requirements, for illustrative purposes only, to provide information about how the share buy-back might have affected the reported historical financial information presented, had the corporate action been undertaken at the commencement of the period or at the date of the *pro forma* balance sheet being reported on.

Directors' responsibility

The directors are responsible for the compilation, contents and presentation of the *pro forma* financial information contained in the circular and for the financial information from which it has been prepared. Their responsibility includes determining that: the *pro forma* financial information has been properly compiled on the basis stated; the basis is consistent with the accounting policies of ArcelorMittal; and the *pro forma* adjustments are appropriate for the purposes of the *pro forma* financial information disclosed in terms of the JSE Listings Requirements.

Reporting accountants' responsibility

Our responsibility is to express our limited assurance conclusion on the *pro forma* financial information included in the circular to ArcelorMittal shareholders. We conducted our assurance engagement in accordance with the International Standard on Assurance Engagements (ISAE 3000) applicable to *Assurance Engagements Other Than Audits or Reviews of Historical Financial Information* and the *Guide on Pro Forma Financial Information* issued by SAICA. This standard requires us to obtain sufficient appropriate evidence on which to base our conclusion.

We do not accept any responsibility for any reports previously given by us on any financial information used in the compilation of the *pro forma* financial information beyond that owed to those to whom those reports were addressed by us at the dates of their issue.

Sources of information and work performed

Our procedures consisted primarily of comparing the unadjusted financial information with the source documents, considering the *pro forma* adjustments in light of the accounting policies of ArcelorMittal, considering the evidence supporting the *pro forma* adjustments and discussing the adjusted *pro forma* financial information with the directors of the company in respect of the corporate action that is the subject of this circular.

In arriving at our conclusion, we have relied upon financial information prepared by the directors of ArcelorMittal and other information from various public, financial and industry sources.

While our work performed has involved an analysis of the historical published audited financial information and other information provided to us, our assurance engagement does not constitute an audit or review of any of the underlying financial information conducted in accordance with *International Standards on Auditing or International Standards on Review Engagements* and accordingly, we do not express an audit or review opinion.

In a limited assurance engagement, the evidence-gathering procedures are more limited than for a reasonable assurance engagement and therefore less assurance is obtained than in a reasonable assurance engagement. We believe our evidence obtained is sufficient and appropriate to provide a basis for our conclusion.

Conclusion

Based on our examination of the evidence obtained, nothing has come to our attention, which causes us to believe that, in terms of the section 8.17 and 8.30 of the JSE Listings Requirements:

- the *pro forma* financial information has not been properly compiled on the basis stated;
- such basis is inconsistent with the accounting policies of ArcelorMittal; and
- the adjustments are not appropriate for the purposes of the *pro forma* financial information as disclosed.

Consent

We consent to the inclusion of this report, which will form part of the circular, to be issued on or about 8 May 2009, in the form and context in which it will appear.

CASE NO. 09/17526

In the ex parte application of:

ARCELORMITTAL SOUTH AFRICA LIMITED
(Incorporated in the Republic of South Africa)
(Registration number 1989/002164/06)

Applicant

NOTICE OF SCHEME MEETING

1. Notice is hereby given in terms of an Order of Court in the above matter that the High Court of South Africa (South Gauteng High Court, Johannesburg) has ordered, in accordance with section 311 of the Companies Act, 1973 (Act 61 of 1973), as amended (“the Act”), that a meeting (“the scheme meeting”) of the shareholders of the Applicant registered as such at the close of business on Wednesday, 27 May 2009 (“scheme members”) be held at 10:00 on 1 June 2009, at the Hilton Sandton, 138 Rivonia Road, Sandton, South Africa, 2196, Tel: +27 11 322 1888, under the chairpersonship of Mr Solomon Slom, or failing him, Mr Costas Carides, for the purpose of considering and, if deemed fit, approving with or without modification, the scheme of arrangement (“the scheme”) proposed by Vicva Investments and Trading Nine (Proprietary) Limited (“Acquiror”) between the Applicant and its shareholders.
2. The basic characteristic of the scheme is that upon implementation, the Acquiror will acquire in terms of section 89 of the Act, by way of a scheme of arrangement in terms of section 311 of the Act, approximately 10% of the number of issued ordinary shares in the Applicant held by the shareholders of the Applicant on a *pro rata* basis, for a consideration of R87.64 for each share acquired. The aforesaid will be achieved by the Acquiror acquiring 9,995% of the shareholding of each scheme participant (adjusted by the application of the rounding principle as defined in the document posted to the shareholders of the Applicant), it being recorded that the above percentage has been reduced to below 10% in order to ensure that the rounding principle does not result in the aggregate number of ordinary shares in the Applicant being acquired exceeding 10% of the number of issued ordinary shares in the Applicant.
3. Copies of the scheme, the explanatory statement in terms of sections 312(1)(a)(i) and 312(2) of the Act, which explains the scheme, the valuation statement in terms of section 312(1)(a)(ii) and section 312(2) of the Act, the statement of interests of the directors in terms of section 312(1)(a)(iii) and section 312(2) of the Act, the additional information required by the JSE Limited Listings Requirements, the relevant form of proxy and the Order of Court convening the scheme meeting are included in the document posted to the shareholders of the Applicant and copies thereof may be inspected at and may, on request, be obtained free of charge, during normal business hours for at least two weeks prior to the date of the scheme meeting from the registered office of the Applicant being Room N3-5, Main Building, Delfos Boulevard, Vanderbijlpark, 1911, by any shareholder of the Applicant.
4. Each scheme member who holds certificated shares or who holds dematerialised shares through a Central Securities Depository Participant (“CSDP”) and has “own name” registration may attend, speak and vote in person at the scheme meeting or may appoint any other person or persons (who need not be a member of the Applicant) as a proxy or proxies to attend, speak and vote in such scheme member’s place at the scheme meeting. The necessary form of proxy (pink) is included in the circular posted to the shareholders of the Applicant.
5. Scheme members who hold certificated shares in the Applicant through a nominee and scheme members who hold dematerialised shares in the Applicant through a CSDP and do not have “own-name” registration, who wish to attend and vote at the scheme meeting or to vote by proxy, should timeously inform their nominee or CSDP as the case may be, of their intention to attend and vote at the scheme meeting or be represented by a proxy vote thereat in order for the nominee or CSDP to issue them with the necessary letter of representation to do so, or should they not wish to attend the scheme meeting in person, they should timeously provide their nominee or CSDP with their voting instructions in order to be represented at the scheme meeting.
6. Each form of proxy should be completed and signed in accordance with the instructions printed thereon and should be lodged with or posted to the transfer secretaries of the Applicant, Computershare Investor Services (Proprietary) Limited, 70 Marshall Street, Johannesburg, 2001 (PO Box 61051, Marshalltown, 2107) to be received not later than 10:00 on Thursday, 28 May 2009 or not later than 48 hours

NOTICE OF GENERAL MEETING

Notice is hereby given that a general meeting of shareholders of the Company will be held at the Hilton Sandton, 138 Rivonia Road, Sandton, South Africa, 2196, Tel: +27 11 322 1888 at 10:30 or 10 minutes after the conclusion or adjournment of the scheme meeting of the shareholders of the Company convened to be held at 10:00, whichever is later, on Monday, 1 June 2009, to consider and, if deemed fit, to pass, with or without modification, the following resolutions:

SPECIAL RESOLUTION

"Resolved as a special resolution that Vicva Investments and Trading Nine (Proprietary) Limited, ("Acquiror"), a wholly-owned subsidiary of the Company, is hereby authorised by way of a specific authority in terms of section 89 of the Companies Act, 1973 (Act 61 of 1973), as amended ("the Act"), the Listings Requirements of the JSE Limited and article 37 of the articles of association of the Company, to acquire, by way of a scheme of arrangement proposed by the Acquiror between the Company and its shareholders in terms of section 311 of the Act ("the scheme"), approximately 10% of the number of issued ordinary shares in the Company from the shareholders on a *pro rata* basis, for a consideration of R87.64 for each share in the Company acquired in terms of the scheme, on the basis that the consideration for the shares acquired will be paid out of the existing free cash resources available to the Company. The aforesaid will be achieved by the Acquiror acquiring 9.995% of the shareholding of each shareholder (adjusted by the application of the rounding principle as defined in the circular posted to the shareholders of the Company), it being recorded that the above percentage has been reduced to below 10% in order to ensure that the rounding principle does not result in the aggregate number of ordinary shares in the Company being acquired exceeding 10% of the number of issued ordinary shares in the Company."

The reason for the special resolution is to obtain a specific approval in terms of section 89 of the Act for the acquisition by the Acquiror, a wholly-owned subsidiary of the Company, from the Company's shareholders of ordinary shares in the Company as proposed in terms of the scheme. The effect of the special resolution is to enable the Acquiror, by way of a specific authority, to acquire shares in the Company in terms of the scheme from shareholders of the Company on a *pro rata* basis.

STATEMENT BY DIRECTORS OF THE COMPANY IN TERMS OF SECTION 85(4) AND 90(2) OF THE COMPANIES ACT, 1973 (ACT 61 OF 1973), AS AMENDED

The directors, after considering the effect of the share repurchase and the payment of the consideration under and in terms of the scheme, are of the opinion that:

1. the Company will, after payment of the consideration under and in terms of the scheme, be able to pay its debts as they become due in the ordinary course of business; and
2. the consolidated assets of the Company fairly valued will, after the payment of the consideration under and in terms of the scheme, exceed the consolidated liabilities of the Company.

ORDINARY RESOLUTION

"Resolved as an ordinary resolution that any director of the Company or the company secretary be and is hereby authorised to do all such things and sign all documents as may be required to give effect to the special resolution."

VOTING

On a show of hands, every shareholder of the Company who is present in person, by proxy or represented at the general meeting shall have one vote (irrespective of the number of shares held in the Company), and on a poll, every shareholder of the Company shall have for each share held by him that proportion of the total votes in the Company which the aggregate amount of the nominal value of that share held by him bears to the aggregate of the nominal value of all the shares issued by the Company.

PROXIES

Certificated shareholders and own name dematerialised shareholders are entitled to attend and vote at the general meeting and may appoint one or more persons as their proxy to attend, speak and vote in its stead. A proxy need not be a shareholder of the Company.

A form of proxy (*green*) for the convenience of certificated shareholders and own name dematerialised shareholders who are unable to attend the general meeting, but who wish to be represented thereat, is attached to the circular posted to shareholders of the Company. In order to be valid, duly completed forms of proxy must be received by the Company's transfer secretaries, Computershare Investor Services (Proprietary) Limited, at Ground Floor, 70 Marshall Street, Johannesburg, 2001 (PO Box 61051, Marshalltown, 2107) no later than 10:30 on Thursday, 28 May 2009.

Dematerialised shareholders other than own name dematerialised shareholders who have not been contacted by their CSDP or broker with regard to how they wish to cast their votes, should contact their CSDP or broker to vote in accordance with their instructions. If such dematerialised shareholders wish to attend the general meeting of the Company in person, they must request their CSDP or broker to issue the necessary letter of representation to them. This must be done in terms of the agreement entered into between such dematerialised shareholders and the CSDP or broker.

By order of the Board.

Notes:

1. A scheme member may insert the name of a proxy or the names of two alternative proxies of his/her choice in the spaces provided with or without deleting “the chairperson of the scheme meeting” but any such deletion must be initialled by the scheme member. 2. If a scheme member agrees that the scheme may be modified, the scheme member may indicate the manner and extent of such modification to which the proxy may agree on a separate sheet of paper which must be attached to that scheme member’s form of proxy which is submitted.
3. It should be noted that, notwithstanding that a scheme member indicates that the scheme may not be modified, the chairperson (if the chairperson of the scheme meeting is an authorised proxy) or any other proxy will nevertheless be entitled to agree to the modification of the scheme in terms of which the scheme consideration is increased.
4. If a scheme member fails to indicate whether the scheme may be agreed to with or without modification, or fails to indicate the manner and the extent of any modification to which the proxy may agree, such failure will be deemed to authorise the chairperson of the scheme meeting or any other proxy, to agree to the scheme with or without modification as he/she deems fit in respect of all the scheme member’s votes exercisable at the scheme meeting.
5. Please insert the number of votes exercisable in the relevant spaces according to how you wish your votes to be cast. If you wish to cast your votes in respect of a lesser number of ArcelorMittal shares than you own in ArcelorMittal, insert the number of ArcelorMittal shares held in respect of which you wish to vote. Failure to comply with the above will be deemed to authorise and compel the chairperson of the scheme meeting, if the chairperson of the scheme meeting is the authorised proxy, to vote in favour of the scheme, or to authorise any other proxy to vote for or against the scheme or abstain from voting as he/she deems fit, in respect of all the scheme member’s votes exercisable thereat. A scheme member or his/her proxy is not obliged to use all the votes exercisable by the scheme member or his/her proxy, but the total of the votes cast and in respect whereof abstention is recorded may not exceed the total of the votes exercisable by the scheme member or his/her proxy.
6. Forms of proxy must be lodged with the transfer secretaries, Computershare Investor Services (Proprietary) Limited at Ground Floor, 70 Marshall Street, Johannesburg, 2001 (PO Box 61051, Marshalltown, 2107), to be received by no later than 10:00 on Thursday, 28 May 2009, or such later date as may be announced in the press in relation to any adjournment of the scheme meeting. In addition, forms of proxy may be handed to the chairperson of the scheme meeting up to 10 (ten) minutes before the scheme meeting is due to commence.
7. Any alteration or correction made to this form of proxy must be initialled by the signatory(ies).
8. Documentary evidence establishing the authority of a person signing this form of proxy in a representative capacity must be attached to this form of proxy unless previously recorded by the Company’s transfer secretaries or waived by the chairperson of the scheme meeting.
9. The completion and lodging of this form of proxy will not preclude the relevant scheme member from attending the scheme meeting and speaking and voting in person thereat to the exclusion of any proxy appointed in terms hereof, should such scheme member wish to do so.
10. The chairperson of the scheme meeting may accept or reject any form of proxy which is not completed and/or received, other than in accordance with these notes and instructions, provided that the chairperson of the scheme meeting is satisfied as to the manner in which the scheme member wishes to vote.
11. This form of proxy shall not be valid after the expiration of six months from the date when it was signed.
12. Joint holders – any such persons may vote at the scheme meeting in respect of such joint shares as if he/she were solely entitled thereto; but if more than one of such joint holders are present or represented at the scheme meeting, that one of the said persons whose name stands first in the register in respect of such shares or his/her proxy, as the case may be, is alone entitled to vote in respect thereof.
