

Winter Warm 2012 – 'Tekkie Love'

The best way to keep warm is to ensure that one's feet are warm and Lusa Community Chest and all this year's sponsors of the Winter Warm Campaign are therefore most grateful for all the kind donations in the Tekkie Love project.

On behalf of the 1 000 children from 25 children's organizations who received brand new tekkies to ward off the winter cold, Lusa Community Chest would like to extend its heartfelt thanks to you and the many generous sponsors who participated in the Winter Warm 2012 campaign.

The Emerald Casino Resort hosted the handover function on June 15. Following a

cheerful introduction by Dave Hammond, owner and well-known local DJ, the 100 guests consisting of donors and beneficiaries were treated to a stirring audiovisual presentation featuring each of the children's organisations as well as the major donors.

Ian Kennon (President of Lusa Community Chest) gave a vote of thanks and presented Red Feather awards to the donors.

The project originated with ArcelorMittal and they are still one of the most loyal supporters towards this annual project.

Tongaat Hulett Starch; Emerald Resort and Casino; P.J. Construction; Indgro Holdings, IFM 102.2; Slater Group; Vaal Lubricant; Safripol;

Mooivaal Media (Ster and Vaalweekblad); Mardo Photo's; Vaal Mall; Sasol; Willbouw Express; Boots and Hats; Sedgars; Ackermans and River of Life Family Church were once more thanked for their loyal and sustained support.

The Community Chest and MooiVaal Media would also like to thank every individual who supported this project with donations, tekkies, socks or bed socks, without which

many children would be left feeling the cold this winter. Thank you for making a difference in the quality of life of these children. Ubuntu! Together we can do more!
